

MINIBAR

Absorption
Technology
40L

A40

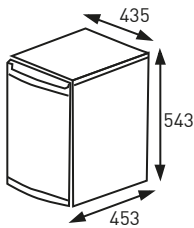

“Tradition means reliability and diversity”

Complies with European Directive 2010/30 and Regulation 1060/2010 EC
relating to energy consumption and labeling

A40 40L

MODEL

TEMPERATURE	1-8 C°
CONSUMPTION	0.75KW/24H
ENERGY CLASS	D
POWER	53 W
VOLT	110/240V

Interior LED

Interior Controller Temperature

Adjustable Shelves

STANDARD FEATURES

Auto Defrost	Adjustable Bottle Rack	Bottle Rack
Low Power Consumption LEDs	Adjustable Shelves	

EXTRA FEATURES

Lock	Casters	Smart Thermostat

		<p>Not available for EU countries in compliance with EU regulation 1060/2010 on energy consumption and efficiency.</p>
Customizable Glass	Glass
